MICHIGAN CHAPTER

Congratulations to all of you for being nominated for this year's NATAS Michigan Student Production Awards. Your work has been recognized as some of the best. We received many entries this year and yours truly stood out.

The future of our business is very bright and will continue to grow by leaps and bounds. We are so happy that you will be part of many great things to come and we look forward to you joining the thousands of professionals who are represented by NATAS.

Thank you to all of the Universities, Colleges and High Schools that took part in this year's awards. To the students... we wish you continued success in the field of television broadcasting.

Greg Russell
