A MESSAGE FROM THE PRESIDENT

Good Evening, All!

I can't tell you how fortunate I feel to welcome you back to the 44th Annual Emmy® Awards.

We have experienced so much in the last few years and through it all, you have remained the consummate professionals – dedicated to delivering the very best storytelling content. I applaud all of you!

Our award submissions were judged by various NATAS Chapters throughout the United States. It's always interesting for me to see other markets' entries. I can tell you first-hand, the caliber of work that originates in the NATAS Michigan Chapter is second to none. I continue to be honored and humbled to represent you all.

Congratulations to the Nominees and to the Emmy® Recipients!

Enjoy this evening and the celebration of outstanding creative content here in Michigan.

You are the best of the best!

Sincerely,

CHAPTER

A MESSAGE FROM AWARDS CHAIR

Welcome to the 44th annual Emmy® Awards ceremony.

It is exciting to be back in person to celebrate your incredibly hard work this past year.

I am honored to serve as your Vice President and your Emmy® chair.

I know the challenges you overcame to provide your community with the latest news and information through truly one of the craziest times in history.

Congratulations to all our winners tonight and on behalf of the Michigan chapter of NATAS, we thank you for your dedication and commitment to your craft.

Sincerely,

Barb Roethler
V.P. NATAS, Emmy® Chair

JUDGING PROCEDURES

The purpose of the Emmy® Awards is to provide the incentive for continuing excellence in individual and program production achievement, and to focus public attention on the multi-talents individuals who comprise our industry. Each entry was scored by members of a peer panel on the basis of a set of specific characteristics — content, creativity, and execution. Ballots were returned directly to the accounting firm of Alan C Young and Associates for tabulation and selection of nominees and winners.

The Boston New England, Heartland, Nashville Mid-South, Southeast and Suncoast chapters judged the 2021 entries. Every measure possible has been taken to make certain that judging was fair and unbiased, the entries were scored purely on their own merits, and that the winners have been selected without influence or forethought.

The names of the Emmy® recipients have remained confidential until tonight's presentation.

HENRY BASKIN

March 24th, 1943 – October 2nd, 2021

For more than forty years, Wayne State University law graduate Henry Baskin championed efforts for excellence and truth in communications.

A GOLD CIRCLE recipient, HENRY BASKIN, knew he wanted to be a lawyer and an advocate early in life.

Charismatic with an engaging personality, Henry's specialty was entertainment law and civil rights.

In 1978, the Detroit Chapter of The National Academy of Television Arts and Sciences was formed through the efforts of Henry and local broadcasters. They influenced The National Academy of Television Arts and Sciences (NATAS) in New York to establish the Michigan Chapter.

Henry hosted several television programs, including WXYZ's "Kelly & Company" and Good Afternoon Detroit; WJBK's "TV2 Morning Show"; WDIV and USA Cable's "The Sonya Show" and his EMMY® Award Winning "DUE PROCESS," one of the longest-running legal programs in Michigan television history.

Henry was a nationally known entertainment attorney, representing performers and celebrities ranging from Motown's Marvin Gaye, photo artist Linda Solomon, and media personalities:

Bill Bonds, Huel Perkins, Jerry Hodak, and Dick Purtan. Henry set the bar for broadcast employment agreements and sports contracts.

Henry chaired several community-based committees and was affiliated with dozens of foundations and charities. He devoted his time to fundraising for The VARIETY CLUB and served on Oakland University's Board of Trustees establishing their School of Medicine.

Henry's "Baskin Family Foundation" provides scholarship assistance to children of single-parent households in financial need. Family, colleagues, and friends acknowledge how privileged they were to have had Henry in their lives and openly express their appreciation for this loving family man, mentor, and friend.

Henry received numerous distinctions and awards.

As a 2007 MI-NATAS Silver Circle Inductee and a Lifetime Member, Henry continued to serve our Chapter as Parliamentarian until his passing.

He periodically served as a legal consultant to the National Academy.

Henry Baskin was a skilled communicator and an advocate for this chapter; he will be missed.

OPEN NOMINATIONS FOR BOARD OF GOVERNORS

Each year, the membership of the National Academy of Television Arts & Sciences Michigan Chapter elects new professionals on a rotating Board of Governors to represent the Michigan community. While best known for The EMMY® Awards and Silver Circle, which recognize outstanding achievements in our industry, NATAS Michigan represents an array of other exciting events available to our membership.

The Michigan Chapter is in search of people who are as passionate about media as they are about giving back to the professional community. The Board of Governors is a working board, which simply put, means we work together collaboratively to ensure we are providing for the best interests of the membership.

Calling all those who are interested in making the Michigan Emmy® Chapter the best possible! This is an opportunity to make sure your station, production company, organization and/or market is well represented.
