

20 January 2023

Dear Video Media / Broadcast Educators:

On behalf of the **2023 John Schimpf College Scholarship & Dr. Lynne Boyle High School Grant Committee**; we hope this communication finds You (and your families) doing well. This has been a roller-coaster of a year; especially as it has had an impact on education, including its learning modalities, platforms and financing. It is with an unwavering commitment to support and encourage our future journalists and media students that we announce our 2023 MI-NATAS Scholarship and Grant offerings.

For **High Schools**, we offer a competitive grant, awarded to a High School and its Broadcast/Film **CLASS** to help purchase broadcasting/film-video/editing equipment. This year, there are three (3) **High School Grant Awards for \$2000 each**.

For **College Students**, we offer four (4) college scholarships. Undergraduates, who have declared a media major (journalism, video production, broadcasting); ie., hold and are enrolled (with 60+ credit hours) at an accredited institution; or a graduate student pursuing a Masters/Doctorate degree in TV/Film/related areas, are eligible to be awarded one of **four (4) \$3500 College scholarships**.

There are no application fees. Students need **not** be members of MI-NATAS; nor entrants in our Student Production Awards to apply...but are encouraged to fully participate in all our industry activities. Student (high school or college) membership costs only \$10.00 per year. Membership is a great way to network with professionals and be kept informed about employment opportunities. Check out our website!

Because Scholarship/Grant information is sent by email only; it is important that we have correct contact information for all academic point-persons: principals, advisors, instructors, and student group leaders. We ask for your continued participation to keep our contact roster updated.

Applying is easy. Go to our website: [natasmichigan.org](http://natasmichigan.org).

- Click on the "**STUDENT AWARDS**" tab (at the top of the page)
- Click on the "**Dr. LYNNE BOYLE / JOHN SCHIMPF SCHOLARSHIP**" tab (upper left side)

Our chapter also hosts the competitive **Michigan Student Production Awards**, which showcases student videos. We encourage You to check out that opportunity; just click over to the "**Call for Entries**" tab.

If you have any questions, please email us at: [scholarshipsminatas@gmail.com](mailto:scholarshipsminatas@gmail.com).

Thank You for your assistance; as we help our future broadcasters and filmmakers to fulfill their dreams.
