# A MESSAGE FROM THE AWARDS CHAIR

On behalf of myself and the National Academy of Television Arts and Sciences Board- Michigan Chapter, I want to say thank you for your continuous support and passion to keep great Journalism, tremendous production and compelling story telling a part of the fabric of who we are.

This chapter is only as strong and successful as its members. Many of you became members to enter the Emmy® Awards, but we have so much more to offer. We encourage you to share the many things the chapter provides from networking events, featured discussions and webinars all to help continue to build the tradition and core values for future generations.

Thank you for allowing me to serve as your Vice President of NATAS as your Emmy® Awards Chair.

Congratulations to all of those who were nominated!

Sincerely,

**Barb Roethler**

V.P. NATAS, Emmy® Chair

# JUDGING PROCEDURES

---

The purpose of the Emmy® Awards is to provide the incentive for continuing excellence in individual and program production achievement, and to focus public attention on the multi-talents individuals who comprise our industry. Each entry was scored by members of a peer panel on the basis of a set of specific characteristics - content, creativity, and execution. Ballots were returned directly to the accounting firm of Alan C Young and Associates for tabulation and selection of nominees and winners.

The Boston New England, Heartland, Nashville Mid-South, Ohio Valley, Southeast and Suncoast chapters judged the 2022 entries. Every measure possible has been taken to make certain that judging was fair and unbiased, the entries were scored purely on their own merits, and that the winners have been selected without influence or forethought.

The names of the Emmy® recipients have remained confidential until tonight's presentation.

# A MESSAGE FROM THE PRESIDENT

Good Evening, Friends!

We're excited to welcome you back to the 45th Annual Emmy® Awards.

Tonight, we're honored to recognize the very best creative content over the last year. Our Chapter of NATAS continues to lead the country in exceptional story-telling content. I applaud all of you!

Our award submissions were judged by various NATAS Chapters throughout the United States. It's always interesting for me to see other markets' entries. I can tell you first-hand, the caliber of work that originates in the NATAS Michigan Chapter is second to none. I continue to be honored and humbled to represent you all.

Congratulations to the Nominees and to the Emmy® Recipients!

Enjoy this evening and the celebration of outstanding creative content here in Michigan.

You are the best of the best!

Sincerely,

**Robin A. Tracey**  
President, NATAS - Michigan
